

**Labour Force Survey (LFS) Results (tables):**

- London Census Metropolitan Area (CMA) - Seasonally Adjusted
- London Census Metropolitan Area (CMA) - Actual
  - Both Sexes 15-24 years of age
  - Both Sexes 25-44 years of age
  - Both Sexes 45-64 years
- Ontario - Seasonally Adjusted
- Ontario - Actual
- Canada - Seasonally Adjusted
- Canada - Actual
- Economic Region 560 - Actual
  - Both Sexes 15-24 years of age
  - Both Sexes 25-44 years of age
  - Both Sexes 45-64 years

Readers of this monthly Labour Force Survey results from Statistics Canada may notice that we have discontinued the tables on employment by industry and occupation. We have discontinued this content element because recent analysis indicates that the sampling error is too large to provide meaningful observation of changes in sector employment at the sub-provincial level over the short term.
